Malaysian Maritime Academy (ALAM) Factsheet

As at August 2019

1 WHO WE ARE

ALAM is an International Maritime Education & Training (MET) player determined to empower leaders of tomorrow set amidst verdant surroundings, overlooking the longest & busiest strait in the world - the Straits of Malacca. ALAM’s strategic location not only brings the wonders of nature but also creates a life at sea experience for our students from field sports such as football to canoeing & even dragon boating. Life at ALAM is bound to be an enriching and memorable experience.

About 12,000 students enrolled a year
