

Diploma in Maritime Services

(KPT: N/0414/4/0013) (MQA/FA 15561)

WHY CHOOSE ALAM?

Located at Kuala Sungai Baru in Malaysia, Malaysian Maritime Academy (ALAM) was born out of a nonprofit making body called MATES (Malaysian Training and Education for Seamen) Foundation, consisting of the Malaysian International Shipping Corporation Berhad (MISC Berhad), International Shipping Carriers Hong Kong, and the Malaysian Ministry of Transport as their main promoters, the foundation soon pioneered the Maritime Training Centre (MTC) in 1977.

ALAM's courses are structured to facilitate and equip students with competence beyond compliance and by working in collaboration with both local and international maritime-related organizations and institutions. ALAM creates a path heading towards a satisfying and assured career in the Malaysian and global maritime industry.

ALAM is the only MET institution in Malaysia that offers the full range of maritime shipping related training to seafarers serving onboard domestic as well as foreign going vessels and for shore-based shipping personnel. This includes the training for new entrants (cadetship training) to the highest level of Master / Chief Engineer COC.

PROGRAMME OVERVIEW

Graduates of our maritime services programme are equipped with extensive knowledge, competence, and innovation, making them valuable contributors to the human capital and essential liaisons within the maritime industry. This programme is designed to develop maritime services professionals with exceptional leadership, teamwork, and interpersonal skills.

ASSESSMENT SYSTEM

This programme is assessed through assignments, presentations, quizzes, tests, projects, written examinations, and other forms of classroom participation.

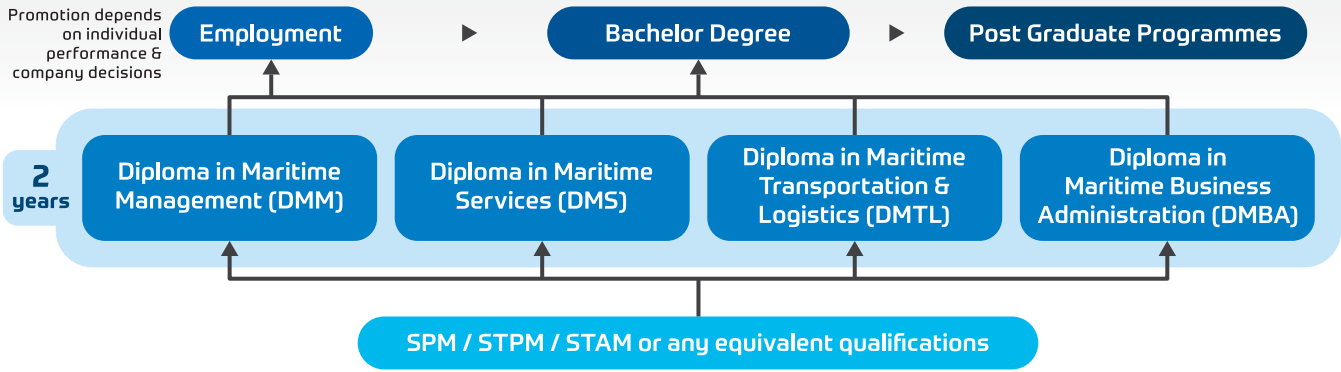

CAREER OPPORTUNITIES

The Diploma in Maritime Services is the perfect programme for individuals possessing qualities such as liaison, public relation, and negotiation, as it can pave the way for a successful career as a customer service officer, operation executive (sea freight), sales and marketing officer. This programme will equip the students with the necessary skills and knowledge to excel in these roles, allowing the students to make a valuable contribution to the maritime industry.

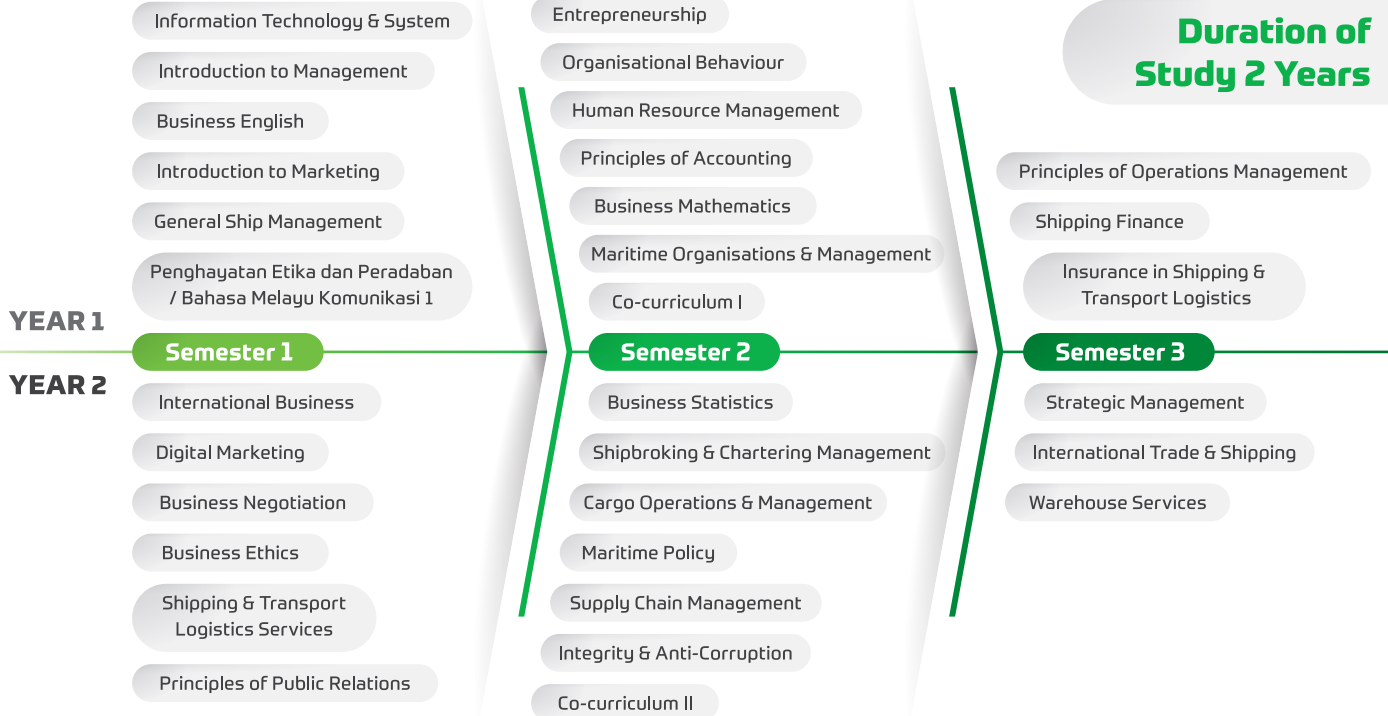

Study Pathways

Promotion depends on individual performance & company decisions
